COMMISSIONER OF COMMERCIAL TAXES CIRCULAR NO. 27/2012-13

Sub: Providing 'Web Services' to dealers to download sugams in bulk – Reg.

It is represented by some of the dealers that requirement of downloading of sugam numbers for transportation of goods from one place to another is huge and in some cases exceeds 200 sugams per day. After consultation with NIC, it is decided to provide a facility called 'Web Services' to such dealers who are required to download more number of sugams per day for transportation of notified goods. Accordingly, the dealers who satisfy the following conditions may utilise the benefit of 'Web Services'.

- 1) The e-Sugam downloaded per day shall not be less than 200.
- 2) Dealers should have filed all the returns.
- 3) Dealers should have paid taxes as per the return.
- 4) There shall not be bouncing of cheques etc, for any tax period whether it is tax or any other amount.
- 5) Dealer should have complied provisions of all the Acts and Rules thereof.

Such dealers who intend to utilise the 'Web Service' facility may apply to the jurisdictional Local Vat Officer or Vat Sub Officers. The LVO/VSO shall verify the application with reference to all the above criteria and any other conditions as deemed fit and recommend to Commissioner of Commercial Taxes for providing the facility through the jurisdictional Joint Commissioner of Commercial Taxes. The tax payer who is provided with the said facility violates any of the above referred conditions then the said facility will be withdrawn by the Commissioner of Commercial Taxes upon the recommendation of concerned LVO/VSO.
